Yes I had Josh add the part of what Amar directions were. I understand not providing access to a lot of people but now with no Dev Ops personnel anything we can do in short term to help should be done. In addition we are exploring new monitoring tools that provide the logs to everyone so I feel this will be short term.

Regards

Curt

Curt,

I am assuming that since you are cc-d on this that you are on board with the proposal?

Dale

Hey Dale,

Please see the attached document. It will outline the request that is being made. Please give us a yay or nay after reviewing it.

Regards,

Joshua Powell
